God sent His Son - Jesus who said "I am the Way, the Truth, the Life"

The true story of Rangsey

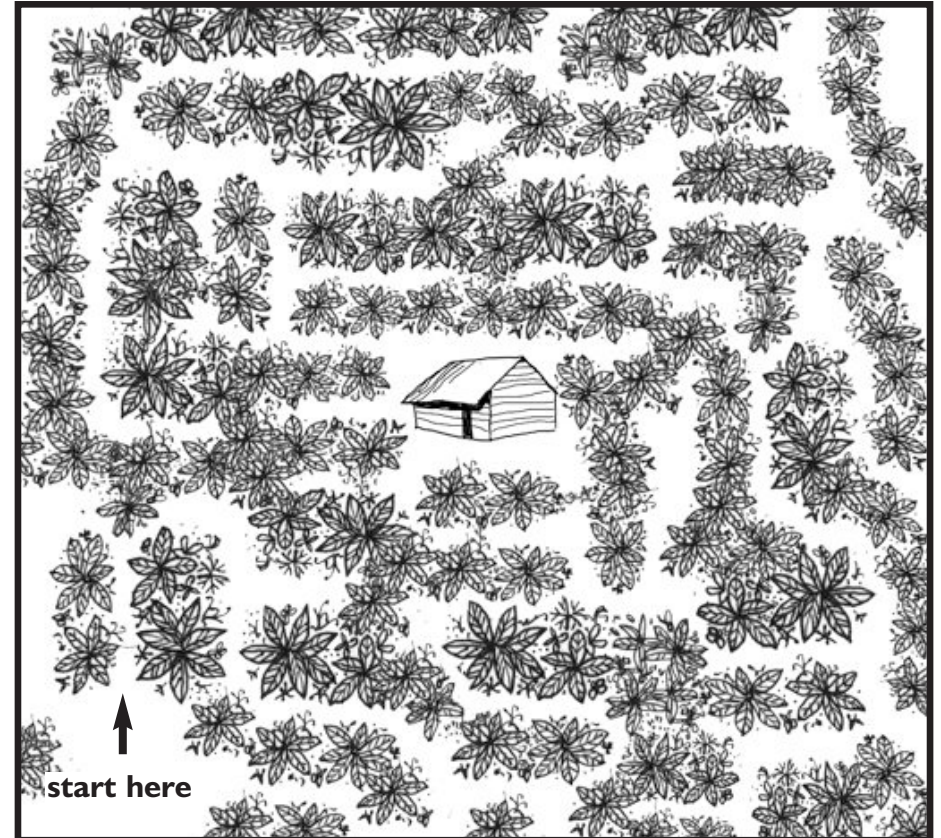

from a country in Asia

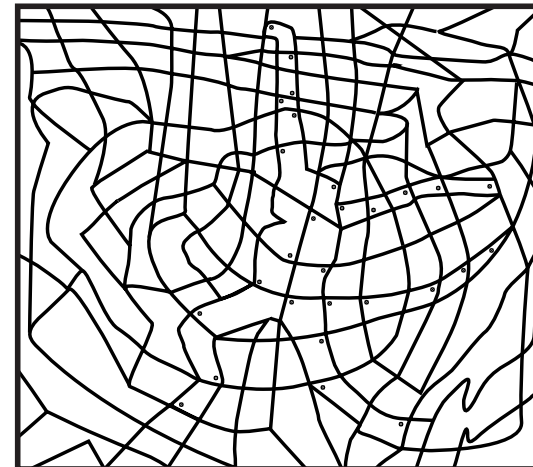

Rangsey was born into a Buddhist family in a small village in Asia. His Dad was a soldier and after some years he died in the war. Rangsey's Mum was always working and after school Rangsey would go along the street selling homemade cakes in a basket. There was hardly enough food for all the family. Later Rangsey moved to a big city to study at University. One day he saw a sticker which said "Jesus is The Way, The Truth and The Life". He went to a church a few times but thought he should still be a Buddhist. Some time later Rangsey was very ill, and he had no job and no idea what to do. He had a gun. "I want to die," he said. But then he talked to God. He said, "Jesus - I believe in you. Please come into my life and be my Saviour and Lord". He began to feel better in every way. Within a year his Mum and family became Christians too. Rangsey now helps children on the streets to have a better life and a new hope. He says "Day by day I live with joy and peace. God is my Father and He loves me and guides me. God is so good!"

What is there?

In the picture above follow the path and see if you can find your way to the village school. You must keep to the path and not cross over any plants or trees.

What is there in the picture on the left?
Colour in all shapes that have a dot in and see if you can find what's hiding in the undergrowth.
