# God sent His Son Jesus, who said 'I am the way, the Truth, the Life'

**Hola from Spain!**

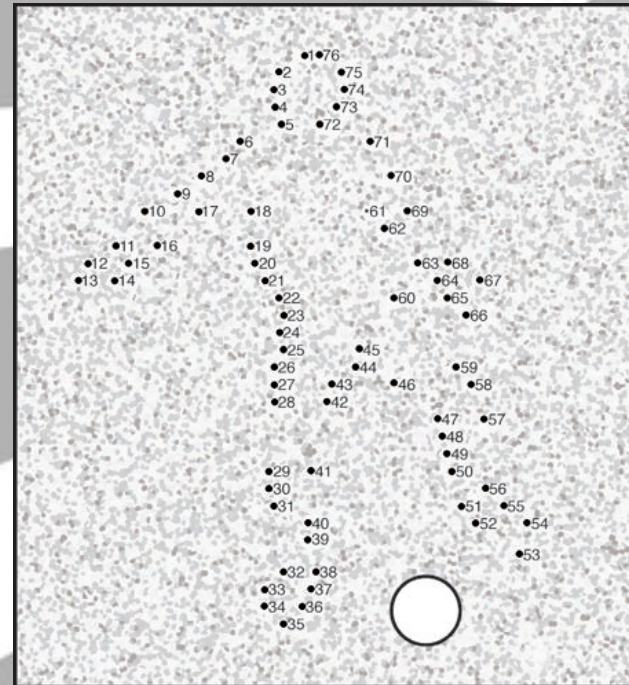

Adan worked hard in his uncle's office. He started taking drugs and spent more and more of his money on buying drugs from dealers. When the money ran out he began to steal from the office. His uncle found out and sacked him.

In Spain lots of people take harmful drugs. Adan also sold drugs, until the police found out and stopped him. Then he broke into cars and stole things from shops to get enough money to buy more drugs. 'I just can't help myself', he said. He often ended up in prison or felt ill.

One day when he was out on the streets he heard that a new centre was opening in his town. He went there and met some people who used to be drug addicts. They said they had changed and they looked really happy. As Adan stayed at the centre he started to learn new things. He began to read the Bible. He said 'Jesus is really alive! He loves me and can set me free, and give me a new life.' Now Adan helps other people to know Jesus and get free from drugs.

**God loves you,  
and with His strength,  
you can change  
as I did.**

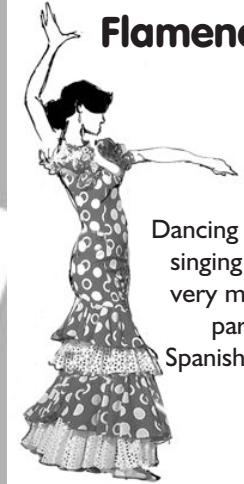

says Adan.
